## Drivers

Please arrive 15 minutes before your allotted time slot. On arrival, you will be directed to the hospitality truck to be signed in. Once all drivers have been signed in, you will receive a 10 minute briefing before the driving sessions commence. We allocate 4 drivers per car so depending on how many sessions your experience type entitles you to, there will be a wait between each driving session.

Each driver must present a valid voucher on arrival in order to take part in their experience.

Each driver (excluding juniors) must be in possession of a full driver's licence. Drivers are not required to present their driver's licenses on the day but, on arrival, each driver is required to sign an activity form/ disclaimer stating that they are a full licence holder and in good health to take part.

Please note that it is advisable to wear casual and comfortable clothing and soft-soled shoes. In warm weather, shorts are not appropriate. For your comfort we also recommend you bring a pullover, a waterproof jacket and a pair of gloves, which are for warmth only and not for driving.

Smoking is prohibited in all areas that we operate.

## Insurance Waiver

Our instructors are highly trained rally drivers and will do all they can to make your day as safe and enjoyable as possible. However, you are in control of the car and ultimately responsible for any damage caused. We cannot be insured for any damage you cause therefore, we may require you to contribute to the first £2000 of any repair costs. You have the option to waiver this risk for a small fee, listed below, payable on arrival.

Supersprint: £10.00

Battle of the Thoroughbreds/Mitsubishi Duo: £15.00

Half day experience: £20.00

Full day experience: £30.00

## Spectators

Spectators are welcome on the day, however, in the interest of safety, we advise that you do not invite spectators under the age of 10 years old. Spectators under the age of 16 years must be accompanied by a non-driving adult at all times and said adult will be responsible for the junior's actions

To cover our 3<sup>rd</sup> party public liability insurance, we make a charge for all spectators over the age of 5 years. The charges are as follows:
